IRUG16 Conference & Workshop

Date: 6-9 October 2026

Location: Winterthur Museum, Gardens & Library, Delaware, US

The [Infrared and Raman Users Group](#) is pleased to announce its 16th International Conference (IRUG16), set for **October 6-9, 2026**. This signature event is being organized and hosted by the [Winterthur Museum, Garden & Library](#), Winterthur, Delaware, USA.

Submissions for papers and posters are invited on all aspects of IR and Raman spectroscopies, as well as their application to the study and preservation of cultural heritage.

An optional **hands-on workshop on portable FTIR instrumentation** will be offered, covering data acquisition, processing, and interpretation.

Further conference information, including submission guidelines, registration details, and other key deadlines, will follow. Please direct all inquiries to irug16@winterthur.org.

We look forward to welcoming you to IRUG16 at the Winterthur Museum in 2026!

IRUG is a not-for-profit 501(c)(3) organization with scientific and educational purposes registered in the Commonwealth of Pennsylvania, USA.
